Answer to Descriptive Questions

- Small Company:** According to Section 2(85) of the Companies Act, 2013, Small Company means a company, other than a public company,—
 - paid-up share capital of which does not exceed fifty lakh rupees or such higher amount as may be prescribed which shall not be more than ten crore rupees; and

- (2) turnover of which as per its last profit and loss account does not exceed two crore rupees or such higher amount as may be prescribed which shall not be more than one hundred crore rupees.

Nothing in this clause shall apply to—

- (A) a holding company or a subsidiary company;
- (B) a company registered under section 8; or
- (C) a company or body corporate governed by any special Act.

As per the Companies (Specification of Definitions Details) Rules, 2014, for the purposes of sub-clause (i) and sub-clause (ii) of clause (85) of section 2 of the Act, paid up capital and turnover of the small company shall not exceed rupees four crores and rupees forty crores respectively.

- (i) In the present case, MNP Private Ltd., is a company registered under the Companies Act, 2013 with a paid up share capital of ₹ 2 crore and having turnover of ₹ 60 crore. Since only one criteria of share capital not exceeding ₹ 4 crore is met, but the second criteria of turnover not exceeding ₹ 40 crore is not met and the provisions require both the criteria to be met in order to avail the status of a small company, MNP Ltd. cannot avail the status of small company.
- (ii) If the turnover of the company is ₹ 30 crore, then both the criteria will be fulfilled and MNP Ltd. can avail the status of small company.

2. According to section 2(68) of the Companies Act, 2013, "Private company" means a company having a minimum paid-up share capital as may be prescribed, and which by its articles, except in case of One Person Company, limits the number of its members to two hundred.

However, where two or more persons hold one or more shares in a company jointly, they shall, for the purposes of this clause, be treated as a single member.

It is further provided that -

- (A) persons who are in the employment of the company; and
- (B) persons who, having been formerly in the employment of the company, were members of the company while in that employment and have continued to be members after the employment ceased,

shall not be included in the number of members.

In the instant case, Flora Fauna Limited may be converted* into a private company only if the total members of the company are limited to 200. Total Number of members

(i)	Directors and their relatives	50
(ii)	5 Couples (5x1)	5
(iii)	Others	145
	Total	200

Therefore, there is no need for reduction in the number of members since existing number of members are 200 which does not exceed maximum limit of 200.

*The provisions relating to conversion of public company to private company is covered in the Chapter 2 – Incorporation of Company and Matters incidental thereto.
