CHAPTER OVERVIEW

1. INTRODUCTION

The term “return” ordinarily means statement of information (facts) furnished by the taxpayer, to tax administrators, at regular intervals. The information to be furnished in the return generally comprises of the details pertaining to the nature of activities/business operations forming the subject matter of taxation; the

measure of taxation such as sale price, turnover, or value; deductions and exemptions; and determination and discharge of tax liability for a given period.

In any tax law, “filing of returns” constitutes the most important compliance procedure which enables the Government/ tax administrator to estimate the tax collection for a particular period and determine the correctness and completeness of the tax compliance of the taxpayers.

The returns serve the following purposes:

- a) Mode for transfer of information to tax administration;
- b) Compliance verification program of tax administration;
- c) Finalization of the tax liabilities of the taxpayer within stipulated period of limitation;
- d) Providing necessary inputs for taking policy decision;
- e) Management of audit and anti-evasion programs of tax administration

The taxpayer is generally required to furnish the return in a specific statutory format. These formats are, therefore, designed to take care of all the provisions of the law that have a bearing on computation of tax liability of a taxpayer. Hence, a study of various fields contained in the form of return *vis-à-vis* the relevant corresponding provisions of the tax law, can facilitate overall understanding of the tax law in a better manner.

Filing of GST returns helps in determination of tax liability of the return filer and at the same time it also has a huge bearing on determination of tax liability of other persons with whom the former has entered into taxable activities.

Under the GST laws, the correct and timely filing of returns is of utmost importance because of two reasons. Firstly, under GST laws, a taxpayer is required to estimate his tax liability on “self-assessment” basis and deposit the tax amount along with

the filing of such return. The return, therefore, constitutes a kind of working sheet/supporting document for the tax authorities that can be relied upon as the basis on which the tax has been computed by the taxpayer. Secondly, under the GST regime, filing of returns not only determines the tax liability of the person filing the same, but it also has a huge bearing on determination of tax liability of other persons with whom the former has entered into transactions in course or furtherance of business.

Chapter IX of the CGST Act [Sections 37 to 48¹] prescribe the provisions relating to filing of returns as under:

Section 37	Furnishing details of outward supplies
Section 38	Furnishing details of inward supplies
Section 39	Furnishing of returns
Section 40	First return
Section 44	Annual Return
Section 45	Final Return
Section 46	Notice to return defaulters
Section 47	Levy of late fee
Section 48	Goods and services tax practitioners

Apart from this, section 52, *inter alia*, prescribes a statement for tax collection at source to be furnished by Electronic Commerce Operator. *Provisions of section 41 relating to availment of input tax credit have already been discussed in Chapter 8 – Input Tax Credit in this Module of the Study Material; thus, said provisions are not discussed here.* The provisions relating to forms and manner, in which information is to be furnished through returns, are given under Chapter VIII of the CGST Rules [Rules 59-84²]. State GST laws also prescribe identical provisions in relation to filing of returns.

Provisions of returns, other than late fee, under CGST Act have also been made applicable to IGST Act vide section 20 of the IGST Act.

¹ Sections 42, 43 and 43A have been omitted.

² Rules 69, 70, 71, 72, 73, 74, 75, 76, 77 and 79 have been omitted.

All the returns under GST laws are to be filed electronically. Taxpayers can file the statements and returns by various modes. Firstly, they can file their statement and returns directly on the GST common portal online. However, this may be tedious and time consuming for taxpayers with large number of invoices. For such taxpayers, offline utilities have been provided by GSTN that can be used for preparing the statements offline after downloading the auto populated details and uploading them on the common portal. GSTN has also developed an ecosystem of GST Suvidha Providers (GSP) that will integrate with the common portal.

The details furnished by the taxpayer in the form of returns shall be consolidated and stored at the common portal which will be common for both, i.e. Central Government and State Governments.

3. FURNISHING DETAILS OF OUTWARD SUPPLIES [SECTION 37 READ WITH RULE 59]

(i) Who is required to furnish the details of outward supplies? [Section 37(1) read with rule 59(1)]

The details of outward supplies (see definition) of both goods and services are required to be furnished by every registered person including casual registered person except the following:

- ❑ input service distributor (ISD)
- ❑ non-resident taxable person (NRTP)
- ❑ person paying tax under composition scheme
- ❑ person deducting tax at source
- ❑ person collecting tax at source i.e., e-commerce operator (ECO), not being an agent
- ❑ supplier of online information and database access or retrieval services (OIDAR) located in non-taxable territory and providing such services to a non-taxable online recipient.

(ii) What is the form for submission of details of outward supplies? [Section 37(1) read with rule 59(1)]

The details of outward supplies are required to be furnished, electronically, in **Form GSTR-1 for the month or quarter**. Such details can be furnished through the common portal, either directly or from a Facilitation Centre notified by the Commissioner.

Further, a Nil GSTR-1 can be filed through an SMS using the registered mobile number of the taxpayer.

(iii) What is the due date of submission of GSTR-1? [Section 37(1)]

GSTR-1 for a particular tax period is filed **on or before the 10th day of the immediately succeeding tax period**. In other words, GSTR-1 of a month/quarter can be filed any time between 1st and 10th day of the succeeding month/quarter. The due date of filing GSTR-1 may be extended by the Commissioner/ Commissioner of State GST/ Commissioner of UTGST for a class of taxable persons by way of a notification.

The time limit for furnishing the details of outward supplies in Form GSTR-1 is extended³ as follows:

³ vide Notification No. 83/2020 CT dated 10.11.2020

Class of registered person	Time limit for furnishing the details of outward supplies in Form GSTR-1 for each quarter/month
Registered persons opting for QRMP scheme ⁴	13 th day of the month succeeding such quarter
Others	11 th day of the month succeeding such month

(iv) Invoice Furnishing Facility [IFF] for taxpayers opting for QRMP Scheme [Sub-rules (2) and (3) of rule 59]

Invoice Furnishing Facility (IFF) is a facility provided to quarterly taxpayers who are in QRMP scheme, to file their details of outward supplies in first two months of the quarter, to pass on the credit to their recipients.

Invoice furnishing facility (IFF) is not mandatory, but an optional facility made available to the registered persons under the QRMP scheme. At his option, a registered person may choose to furnish the details of outward supplies made during a quarter in Form GSTR-1 only, without using the IFF.

The facility of furnishing details of invoices in IFF has been provided so as to allow details of such supplies to be duly reflected in the Form GSTR-2A and Form GSTR-2B of the concerned recipient. Otherwise, in case where a buyer has made purchases from a person opting for QRMP scheme, he could not have claimed full ITC but due to introduction of IFF, such delay will not occur as the details submitted using IFF will be reflected in the GSTR-2A, GSTR-2B, GSTR-4A or GSTR-6A⁵ of the recipients, as the case may be.

Taxpayers opting for QRMP Scheme may furnish the details of such outward supplies to a registered person, as he may consider necessary, for the 1st and 2nd months of a quarter, upto a cumulative value of ₹ 50 lakh in

⁴ QRMP scheme - a Quarterly Return scheme where payment has to be made on monthly basis - has been discussed in detail subsequently in this chapter.

⁵ Form GSTR-6A is the system generated statement of inward supplies for an ISD. Provisions relating to ISD are discussed in detail at the Final level.

each of the first 2 months of the quarter using IFF electronically on the common portal. However, invoices pertaining to last month of a quarter are to be uploaded in GSTR-1 only.

The invoices are to be furnished in IFF between the 1st day of the succeeding month till the 13th day of the succeeding month. After 13th of the month, this facility for furnishing IFF for previous month would not be available. As a facilitation measure, continuous upload of invoices would also be provided for the registered persons wherein they can save the invoices in IFF from the 1st day of the month till 13th day of the succeeding month.

The said facility would however be available, say for the month of July, from 1st August till 13th August. Similarly, for the month of August, the said facility will be available from 1st September till 13th September.

The details of invoices furnished using IFF in the first 2 months of the quarter are not required to be furnished again in GSTR-1 for the said quarter.

(1) A registered person who has availed the QRMP scheme wants to declare 2 invoices out of the total 10 invoices issued in the 1st month of quarter since the recipient of supplies covered by those 2 invoices desires to avail ITC in that month itself. Details of these 2 invoices may be furnished using IFF.

The details of the remaining 8 invoices shall be furnished in Form GSTR-1 of the said quarter. The two invoices furnished in IFF shall be reflected in Form GSTR-2B of the concerned recipient of the 1st month of the quarter and remaining 8 invoices furnished in Form GSTR-1 shall be reflected in Form GSTR-2B of the concerned recipient of the last month of the quarter.

However, if a registered person does not opt to upload invoices using IFF, then he has to upload invoice details for all the 3 months of the quarter in Form GSTR-1.

(v) What are the cases where a registered person is debarred from furnishing details of outward supplies in GSTR-1/IFF? [Section 37(4) read with rule 59(6)]

A registered person shall not be allowed to furnish the details of outward supplies for a tax period, if the details of outward supplies for any of the previous tax periods has not been furnished by him.

However, the Government may, on the recommendations of the Council, by notification, subject to such conditions and restrictions as may be specified therein, allow a registered person or a class of registered persons to furnish the details of outward supplies, even if he has not furnished the details of outward supplies for one or more previous tax periods [Section 37(4)].

In this regard, rule 59(6) stipulates that:

- (i) a registered person shall not be allowed to furnish the details of outward supplies in Form GSTR-1, if he has **not furnished** the return in **Form GSTR-3B for the preceding month**.
- (ii) a registered person, opting for QRMP scheme shall not be allowed to furnish the details of outward supplies in Form GSTR-1 or using IFF, if he has **not furnished the return in Form GSTR-3B for preceding tax period**.
- (iii) ***a registered person, to whom an intimation has been issued on the common portal under the provisions of rule 88C(1) in respect of a tax period, shall not be allowed to furnish the details of outward supplies in Form GSTR-1 or using IFF for a subsequent tax period, unless he has either deposited the amount specified in the said intimation or has furnished a reply explaining the reasons for any amount remaining unpaid, as required under the provisions of rule 88C(2). Rule 88C has been discussed subsequently in this chapter.***

A taxpayer cannot file GSTR-1 before the end of the current tax period.

However, following are the exceptions to this rule:

- a. **Casual taxpayers, after the closure of their business**
- b. **Cancellation of GSTIN of a normal taxpayer**

A taxpayer who has applied for cancellation of registration will be allowed to file GSTR-1 after confirming receipt of the application.

(vi) What are the contents of GSTR-1?

CONTENTS OF GSTR- 1

Basic & Other Details	Details of Outward Supplies
<ul style="list-style-type: none"> • GSTIN • Legal name • Trade name, if any • Aggregate turnover in previous year • Year and Month • HSN-wise summary of outward supplies • Details of documents issued during the tax period 	<ul style="list-style-type: none"> • B2B including UIN holders • B2C inter-State supplies where invoice value > ₹ 2.5 lakh • Consolidated details of other B2C supplies • Zero rated and Deemed exports • Debit/ Credit notes issued • Nil rated/ Exempted/ Non-GST • Amendments for prior period • Advances received/advances adjusted

GST is a destination-based consumption tax. Hence, the tax revenue is transferred to the State which is the place of supply⁶ of the particular transaction. Since, the place of supply is crucial for determining the share of every State in the tax revenue, GSTR-1 also captures information relating to place of supply.

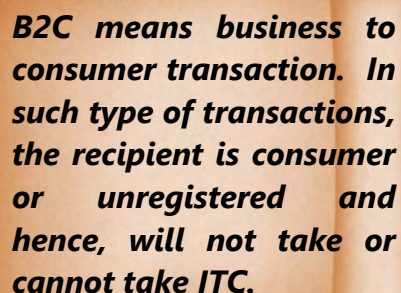

(vii) What kind of details of outward supplies are required to be furnished in GSTR-1 and IFF? [Explanation to section 37 read with sub-rules (4) and (5) of rule 59]

Uploading of invoices in IFF and GSTR-1 depends on whether the supply is B2B or B2C. Further, uploading of invoice in GSTR-1 also depends on whether the supply is intra-State or inter-State. Let us first understand what is B2B supply and what is B2C supply?

⁶ Principles determining the place of supply as contained in sections 10 and 12 of the IGST Act have been discussed in detail in Chapter 4 – Place of Supply in Module 1 of this Study Material.

B2B means business to business transaction. In such type of transactions, the recipient is also a registered supplier and hence, takes ITC.

B2C means business to consumer transaction. In such type of transactions, the recipient is consumer or unregistered and hence, will not take or cannot take ITC.

(A) Details of outward supplies required to be furnished in IFF

In the IFF, the registered person has to submit the B2B (business to business) invoice details of both inter-State and intra-State supply transactions along with debit and credit notes of the B2B invoices issued during the month.

The details of outward supplies furnished using IFF shall include the –

- (a) invoice wise details of inter-State and intra-State supplies made to the registered persons;
- (b) debit and credit notes, if any, issued during the month for such invoices issued previously.

From the above discussion, it can be inferred that IFF shall include invoices pertaining to B2B supplies irrespective of whether they are intra-State or inter- State supplies. This is so because the recipients will take ITC basis such invoices.

(B) Details of outward supplies required to be furnished in GSTR-1

The registered person is required to furnish details of invoices and revised invoices issued in relation to supplies made by him **to registered and unregistered persons** (i.e. B2B as well as B2C supplies) and debit notes and credit notes in GSTR-1 in the following manner:

Sl. No.	Invoice-wise* details of ALL	Consolidated details of ALL	Debit and credit notes
(i)	Inter-State and Intra-State supplies made to registered persons, i.e. B2B supplies.	Intra-State supplies made to unregistered persons for each rate of tax	Issued during the month for invoices issued previously
(ii)	Inter-State supplies made to unregistered persons with invoice value exceeding ₹ 2,50,000, i.e. B2C supplies	Inter-State supplies made to unregistered persons with invoice value upto ₹ 2,50,000 for each rate of tax separately for each State	

Form above discussion, it can be inferred that for B2B supplies, all invoices need to be uploaded in GSTR-1 irrespective of whether they are intra-State or inter- State supplies. This is so because the recipient will take ITC basis such invoices.

For B2C supplies, uploading in general is not required as the buyer will not be taking ITC. However, still in order to implement the destination-based principle, invoices of value more than ₹ 2.5 lakh in inter-State B2C supplies need to be uploaded. For inter-State invoices upto ₹ 2.5 lakh, State wise summary is sufficient and for all intra-State invoices, only consolidated details need to be given.

(2) Mr. XY makes intra-State taxable supplies for ₹ 10,000 and ₹ 50,000 to Mr. AB, a registered person and ₹ 1,00,000 to Mr. DE, an unregistered person. He also makes inter-State taxable supplies for ₹ 2,60,000 and ₹ 45,000 to Mr. RS, a registered person and ₹ 1,50,000 to Mr. OP, an unregistered person. Mr. XY will report invoice-wise details of intra-State supplies made to Mr. AB and inter-State supplies made to Mr. RS, in GSTR-1 to be filed by him.

Invoices related details can be uploaded any time during the tax period and not just at the time of filing of IFF/ GSTR-1.

Details related to invoices can be modified/deleted any number of times till the submission of IFF/ GSTR-1 of a tax period. The uploaded invoice details are in a draft version till the time IFF/GSTR-1 is submitted and can be changed irrespective of due date.

Scanned copies of invoices are not required to be uploaded. Only certain prescribed fields of information from invoices need to be furnished e.g., invoice no., date, value, taxable value, rate of tax, amount of tax etc. In case there is no consideration, but the activity is a supply by virtue of Schedule I of CGST Act, the taxable value will have to be worked out as prescribed and furnished.

Description of each item in the invoice need not be furnished. Only HSN (Harmonized System of Nomenclature) code in respect of supply of goods and accounting code in respect of supply of services need to be fed.

Indication of HSN details

The minimum number of digits of HSN code that a filer has to upload depend on his turnover in the last year.

HSN or HS (Harmonized Commodity Description and Coding System) is a standardized system of nomenclature of different goods developed by World Customs Organization, which is accepted globally. HSN uses 6-digits uniform codes to classify different goods. India uses eight-digits codes for more specific and precise classification.

HSN would be disclosed as under⁷:

Aggregate Annual turnover in the preceding financial year	Number of Digits of HSN Code
Upto ₹ 5 crore	For B2B supply - 4 For B2C supply – 4 (optional)
More than ₹ 5 crore	6

(3) The turnovers of Yellow Lemon Pvt. Ltd., Red Pepper Pvt. Ltd. and Blue Berry Pvt. Ltd. in the previous financial year are ₹ 1.5 crore, ₹ 4.8 crore and ₹ 6 crore respectively. While Yellow Lemon Pvt. Ltd. and Red Pepper Pvt. Ltd. will be required to upload 4 digits of HSN code of the goods sold to registered persons, uploading of 4 digits HSN code will be optional for the two companies when the goods are sold to unregistered persons. Blue Berry Pvt. Ltd. will have to upload 6 digits of HSN code of goods sold by it.

(viii) How are the details of outward supply furnished in prior periods amended? [Section 37(3)]

(a) Scope of amendment/ correction entries

Tables 9, 10 and 11(II) of GSTR-1 provide for amendments in details of taxable outward supplies furnished in earlier periods (hereinafter referred to as "Amendment Table"). The details of original debit notes/ credit notes / refund vouchers issued by the tax-payer in the current tax period as also the revision in the debit notes/ credit notes / refund vouchers issued in the earlier tax periods are required to be shown in Table 9 of the GSTR-1.

Ordinarily, in Amendment Table, the supplier is required to give details of original invoice (No and Date), the particulars of which have been wrongly entered in GSTR-1 of the earlier months and are now sought to be amended.

⁷ Notification No. 78/2020 CT dated 15.10.2020

(b) Rectification of errors

If the supplier discovers any error or omission, he shall rectify the same in the tax period during which such error or omission is noticed, and pay the tax and interest, if any, in case there is short payment, in the return to be furnished for such tax period.

(4) A supplier discovers a mistake in details of the invoice furnished in GSTR-1 for the month of August, in October. He can rectify the said mistake in the GSTR-1 for the month of October.

(c) Time limit for rectification

In above example, suppose for some reason, supplier could not make correction at the time of filing of GSTR-1 for the month of October then he can make such amendments in the subsequent periods. However, the maximum time limit within which such amendments are permissible is earlier of the following dates:

- ☐ **30th day of November** following the end of the financial year to which such details pertain or
- ☐ Date of filing of the relevant annual return

(5) An entity has furnished the annual return for the previous financial year on 15th August in the current financial year. An error is discovered in respect of a transaction pertaining to the month of November of the previous financial year. In this case, any

error pertaining to the transaction in the month of November of the previous financial year cannot be rectified beyond 15th August in the current financial year.

It may be noted that, the expression 'due date' is missing in time limit prescribed for making amendments u/s 37(3) [GSTR-1]. Therefore, such date apparently means actual date of filing and not the due date.

(ix) Nil GSTR-1 [Rule 67A]

Filing of GSTR-1 is mandatory for all normal and casual taxpayers, even if there is no business activity in any particular tax period. For such tax period(s), a Nil GSTR-1 is required to be filed as prescribed under rule 67A.

A Nil GSTR-1 does not have any entry. For example, a Nil GSTR-1 for a tax period cannot be filed, if the taxpayer has made any outward supply (including exempt, nil rated or non-GST supplies), or it has received supplies on which tax is payable under reverse charge or an amendment needs to be made to any of the supplies declared in an earlier return or any credit or debit notes is to be declared / amended etc.

A Nil GSTR-1 can be filed through an SMS using the registered mobile number of the taxpayer. GSTR-1 submitted through SMS is verified by registered mobile number-based OTP facility.

A taxpayer can file Nil GSTR-1, anytime from 1st day of the month subsequent of the tax period. For example, GSTR-1 for the calendar month of April, can be filed from 1st May onwards. GSTR-1 for the quarter of April to June can be filed from 1st July onwards.

★ Taxpayer opting for voluntary cancellation of GSTIN has to file GSTR-1 for active period.

★ In cases where a taxpayer has been converted from a normal taxpayer to composition taxpayer at the beginning of any financial year, GSTR-1 will be available for filing only for the period during which the taxpayer was registered as normal taxpayer. The GSTR-1 for the said period, even if filed with delay would accept invoices for the period prior to conversion.

What are the precautions that a taxpayer is required to take for a hassle-free compliance under GST?

One of the most important things under GST is the timely uploading of the details of outward supplies in GSTR-1. How best this can be ensured will depend on the number of B2B invoices that the taxpayer issues. If the number is small, the taxpayer can upload all the information in one go. However, if the number of invoices is large, the invoices (or debit/ credit notes) should be uploaded on a regular basis.

GST common portal allows regular uploading of details of invoices. Till the return is actually submitted, the system also allows the taxpayer to modify the uploaded invoices' details. Therefore, it would always be beneficial for the taxpayers to regularly upload the invoices. Last minute rush makes uploading difficult and comes with higher risk of possible failure and default.

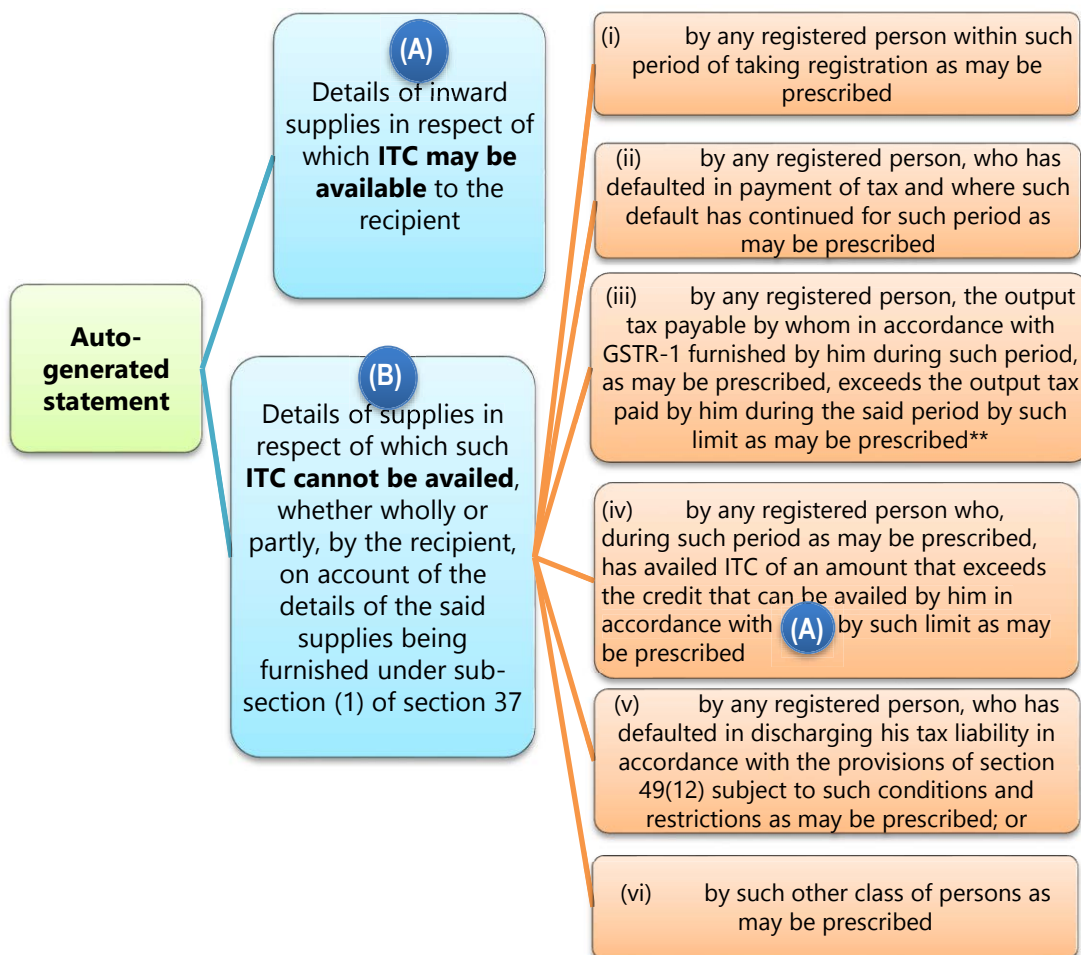

**Regular
uploading of
invoices**

The second thing would be to ensure that taxpayers follow up on uploading the invoices of their inward supplies by their suppliers. This would be helpful in ensuring that the ITC is available without any hassle and delay. Recipients can also encourage their suppliers to upload their invoices on a regular basis instead of doing it on or close to the due date. The system would allow recipients to see if their suppliers have uploaded invoices pertaining to them.

**Follow up with
suppliers to upload
the invoices of
inward supplies**

4. COMMUNICATION OF DETAILS OF INWARD SUPPLIES AND INPUT TAX CREDIT [SECTION 38 READ WITH RULE 60]

*The details of outward supplies furnished by the registered persons under section 37(1) and of such other supplies as may be prescribed, and an **Auto-Generated Statement** containing the details of ITC shall be made available electronically to the recipients of such supplies in such form and manner, within such time, and subject to such conditions and restrictions as may be prescribed.*

*****Rule 88C provides the mechanism for dealing with difference in liability reported in statement of outward supplies between Form GSTR-1 and Form GSTR-3B. Accordingly, where the tax liability as per Form GSTR-1 for a tax period exceeds the tax liability as per Form GSTR-3B for that period by more than a specified extent, the registered person would be intimated on the portal of such difference and be directed to either (i) pay the differential tax liability along with interest, or (ii) explain the difference, within 7 days' period.***

Unless the taxpayer either deposits the amount specified in the said intimation or furnishes a reply explaining the reasons for any amount remaining unpaid, such a person should not be allowed to file Form GSTR-1/ IFF for the subsequent tax period.

Rule 88C reads as follows:

Where the tax payable by a registered person, in accordance with the statement of outward supplies furnished by him in Form GSTR-1 or using the IFF in respect of a tax period, exceeds the amount of tax payable by such person in accordance with the return for that period furnished by him in Form GSTR-3B, by such amount and such percentage, as may be recommended by the Council, the said registered person shall be intimated of such difference.

Such registered person shall be intimated in prescribed form, electronically on the common portal, and a copy of such intimation shall also be sent to his e-mail address*.

In said intimation, the said difference between GSTR-1 and GSTR-3B will be highlighted and he will be directed to:

- (a) pay the differential tax liability, along with interest under section 50, through prescribed form; or***
- (b) explain the aforesaid difference in tax payable on the common portal, within a period of 7 days.***

****email address which registered person has provided at the time of registration or as amended from time to time***

Such registered person shall, upon receipt of the aforesaid intimation, either:

- (a) pay the amount of the differential tax liability, as specified in intimation, fully or partially, along with interest under section 50, and furnish the details thereof electronically on the common portal; or***
- (b) furnish a reply electronically on the common portal, incorporating reasons in respect of that part of the differential tax liability that has remained unpaid, if any,***

within the period of 7 days.

Where any amount specified in the said intimation remains unpaid within 7 days' period and where no explanation or reason is furnished by the registered person in default or where the explanation or reason furnished by such person is not found to be acceptable by the proper officer, the said amount shall be recoverable in accordance with the provisions of section 79.

Form and manner of ascertaining details of inward supplies – GSTR-2A and GSTR-2B

Form GSTR-2A

Form GSTR-2A - is a **system generated read only statement** of inward supplies for a recipient. This statement is **updated on a real time basis**.

GSTR-2A

5. FURNISHING OF RETURNS UNDER SECTION 39

1. GSTR-3B [Section 39(1) read with rule 61 & 61A]

(a) Person eligible to file return [Section 39(1)]

Section 39(1) prescribes a monthly return for every registered person, other than an input service distributor or a non-resident taxable person or a composition taxpayer, a person deducting tax at source, a person collecting tax at source, i.e. an electronic commerce operator and supplier of OIDAR services located in non-taxable territory providing such services to non-taxable online recipient in such form and manner, and within such time, as may be prescribed.

However, the Government may, on the recommendations of the Council, notify certain class of registered persons who shall furnish a return for every quarter or part thereof, subject to the specified conditions and restrictions. Under this proviso, QRMP scheme has been notified which has been discussed in subsequent paras.

(b) Return to be filed in Form GSTR-3B

GSTR-3B is the form prescribed for filing return under section 39. It contains summary of outward supplies, inward supplies liable to reverse charge, eligible ITC, payment of tax etc. Thus, GSTR-3B does not require invoice-wise data of outward supplies.

GSTR-3B can be submitted electronically through the common portal, either directly or through a Facilitation Centre notified by the Commissioner. Further, a Nil GSTR-3B can be filed through an SMS using the registered mobile number of the taxpayer. GSTR-3B can be filed monthly or quarterly.

(c) Due date for filing return

- (1) **Monthly GSTR-3B** - on or before **20th of the month** succeeding the month for which return is furnished.
- (2) **Quarterly GSTR-3B** - on or before **22nd or 24th of the month** succeeding the quarter for which return is furnished in case of a taxpayer opting for QRMP scheme - (*discussed below*).

(d) Quarterly Return Monthly Payment (QRMP) Scheme

Quarterly Return Monthly Payment (QRMP) Scheme is a trade facilitation measure which further eases the process of doing business.

Quarterly Return

Monthly Payment

QRMP Scheme is an **optional return filing scheme**, introduced for small taxpayers having aggregate annual turnover (PAN based) of upto ₹ 5 crore in the preceding financial year to **furnish their Form GSTR-1 and Form GSTR-3B on a quarterly basis while paying their tax on a monthly basis** through a simple challan.

This will significantly reduce the compliance burden on such taxpayers as now the taxpayers need to file only 4 GSTR-3B returns instead of 12 GSTR-3B returns in a year. Similarly, they would be required to file only 4 GSTR-1 returns since Invoice Filing Facility (IFF) is provided under this scheme.

Opting of QRMP scheme is GSTIN wise. Distinct persons can avail QRMP scheme option for one or more GSTINs. It implies that some GSTINs for a PAN can opt for the QRMP scheme and remaining GSTINs may not opt for the said scheme.

QRMP Scheme is GSTIN wise

(A) Eligibility for QRMP scheme

Registered persons¹¹, having **an aggregate turnover up to ₹ 5 crore** in the preceding financial year, and who have opted to furnish quarterly return under QRMP scheme¹² as the class of persons who shall **furnish a return for every quarter and pay the tax due every month**¹³.

Thus, the taxpayers whose aggregate turnover is up to ₹ 5 crore in the preceding financial year are eligible for QRMP scheme. For computing aggregate turnover, details furnished in returns for tax periods in the preceding financial year shall be taken into account.

¹¹ other than supplier of online information and database access or retrieval services (OIDAR) located in non-taxable territory and providing such services to a non-taxable online recipient

¹² opted under rule 61A of the CGST Rules, 2017

¹³ in accordance with the proviso to section 39(7)

Condition to be fulfilled for becoming eligible to opt for QRMP scheme

Registered persons under QRMP scheme must have furnished the return for the preceding month, as due on the date of exercising such option. A registered person shall not be eligible to opt for QRMP scheme if he has not **furnished the last return due on the date of exercising such option.**

(8) If a registered person intending to avail of QRMP scheme for the quarter 'July to September' is exercising his option on 27th July for the said quarter, he must have furnished the return for the month of June which was due on 20th July.

(B) Manner of exercising option of QRMP scheme

A registered person intending to opt for QRMP scheme for any quarter shall indicate his preference for furnishing of return on a quarterly basis from 1st day of the 2nd month of the preceding quarter till the last day of the 1st month of the quarter for which the option is being exercised.

(9) A registered person intending to avail of QRMP scheme for the quarter 'July to September' can exercise his option from 1st May to 31st July.

No need to exercise option every quarter

Registered persons under QRMP scheme are not required to exercise the option every quarter. Where such option has been exercised once, they shall continue to furnish the return as per the selected option for future tax periods, unless they revise the said option.

Further, where such option has been exercised once, the said registered person shall continue to furnish the return on a quarterly basis for future tax periods, unless he–

- (a) becomes ineligible for this scheme as per the conditions and restrictions notified in this regard; or
- (b) opts for furnishing of return on a monthly basis, electronically, on the common portal.

(C) Option of QRMP scheme to lapse

In case where a registered person's aggregate turnover crosses ₹ 5 crore during a quarter in a financial year, he shall not be eligible for furnishing of return on quarterly basis from the first month of the succeeding quarter. He shall opt for furnishing of return on a monthly basis, electronically, on the common portal, from the first month of the quarter, succeeding the quarter during which his aggregate turnover exceeds ₹ 5 crore.

The facility for opting out of the scheme for a quarter will be available from 1st day of 2nd month of preceding quarter to the last day of the 1st month of the quarter.

(D) Form and manner of filing return – GSTR-3B under QRMP scheme

Filing of GSTR-3B is mandatory for all normal and casual taxpayers, even if there is no business activity in any particular tax period. For such tax period(s), a Nil GSTR-3B is required to be filed.

A Nil GSTR-3B does not have any entry in any of its tables. For example, a Nil GSTR-3B for a tax period cannot be filed, if the taxpayer has made any outward supply (including nil-rated, exempt or non-GST supplies) or has received any supplies which are taxable under reverse charge or it intends to take ITC etc.

A Nil GSTR-3B can be filed through an SMS using the registered mobile number of the taxpayer. GSTR-3B submitted through SMS is verified by registered mobile number-based OTP facility.

(f) Rectification of errors/omissions [Section 39(9)]

In GST since the returns are built from details of individual transactions, there is no requirement for having a revised return. Any need to revise a return may arise due to the need to change a set of invoices or debit/ credit notes. Instead of revising the return already submitted, the system allows changing the details of those transactions (invoices or debit/credit notes) that are required to be amended. They can be amended in any of the future GSTR- 1 in the tables specifically provided therein for the purposes of amending previously declared details.

Omission or incorrect particulars discovered in the returns filed u/s 39 can be rectified in the return to be filed for the tax period during which such omission or incorrect particulars are noticed.

Any tax payable as a result of such error or omission will be required to be paid along with interest.

Exception

It is important to note that section 39(9) does not permit rectification of error or omission discovered on account of scrutiny, audit, inspection or enforcement activities by tax authorities.

Hence, assessee may not be able to pass on the ITC to the receiver in respect of tax payments made by him in pursuance of any of the aforementioned situations.

Time limit for making rectification

The maximum time limit within which the rectification of errors/omissions is permissible is earlier of the following dates:

- ☐ **30th day of November** following the end of the financial year to which such details pertain or
- ☐ Actual date of filing of the relevant annual return

The last date of filing of annual return for a financial year is 31st December of next financial year.

Hence, if annual return for a financial year is filed before 30th November (of next financial year), then no rectification of errors/omissions in returns pertaining to the said financial year would be permitted thereafter.

⚙️ ***A return furnished under section 39(1) on which self-assessed tax has been paid in full is considered as a valid return.***

⚙️ ***Filing of returns for current month is possible only when returns for any of the previous tax periods and GSTR-1 for the said tax period has been furnished by him¹⁴.***

3. GSTR-5 - Return for Non-Resident Taxable Persons [Section 39(5) read with rule 63]

Non-Resident Taxable Persons (NRTPs) are those suppliers who do not have a business establishment in India and have come for a short period to make supplies in India. They would normally import their products into India and make local supplies. *The concept of Non-Resident Taxable Person has been discussed in detail in Chapter 9 – Registration in this Module of the Study Material.*

(a) Monthly return

A registered NRTP is not required to file the Statement of Outward Supplies and return which are otherwise applicable for a normal taxpayer.

In place of the same, a simplified monthly tax return has been prescribed in **Form GSTR-5** for a NRTP for every calendar month or part thereof. The details of outward supplies and inward supplies of an NRTP are incorporated in GSTR-5.

**(b) Last date of filing return**

GSTR-5 should be furnished within **13 days** after the end of the calendar month **or within 7 days** after the last day of validity period of the registration, whichever is earlier¹⁵.

(c) Payment of interest, penalty, fees or any other amount payable

An NRTP should pay the tax, interest, penalty, fees or any other amount payable under the CGST Act or the provisions of the Returns Chapter under CGST Rules till the last date of filing GSTR-5.

An NRTP is not required to file an annual return.

Normally, whenever taxable goods or services or both are supplied to a Central/ State Government's Department/ establishment or, local authority, or Governmental agencies, recipient is required to deduct tax at source under section 51 where the total value of such supply exceeds ₹ 2,50,000.

(a) **Monthly return**

Deductor shall furnish a monthly return in **Form GSTR-7**.

(b) **Last date of filing return**

The details in GSTR-7 should be furnished **on/before 10th of the month succeeding the calendar month** in which tax has been deducted at source.

(c) **TDS details available to deductee on common portal**

The details of TDS furnished by the deductor in GSTR-7 shall be made available electronically to each of the deductees on the common portal after filing of Form GSTR-7. The supplier can take this amount as credit in his electronic cash ledger after validation and use the same for payment of tax or any other liability.

(d) **Tax Deduction at Source (TDS) Certificate**

A TDS certificate is required to be issued by deductor (the person who is deducting tax) in Form GSTR-7A to the deductee (the supplier from whose payment, TDS is deducted), within 5 days of crediting the amount to the Government. It contains the details pertaining to value on which tax has been deducted, rate of deduction, amount of tax deducted at source and amount paid to the Government.

6. **DUE DATE FOR PAYMENT OF TAX [SECTION 39(7)]**

Every registered person who is required to furnish a return under sub-section (1), other than the person referred to in the proviso thereto, or sub-section (3) or sub-section (5), shall pay to the Government the tax due as per such return not later than the last date on which he is required to furnish such return.

However, every registered person furnishing return under QRMP scheme shall pay to the Government, in such form and manner, and within such time, as may be prescribed –

- (a) an amount equal to the tax due taking into account inward and outward supplies of goods or services or both, ITC availed, tax payable and such other particulars during a month; or***
- (b) in lieu of the amount referred to in clause (a), an amount determined in such manner and subject to such conditions and restrictions as may be prescribed.***

Due dates for payment of tax in respect of the persons required to file monthly GSTR-3B, GSTR-5 and GSTR-7 are linked with the due dates for filing of such returns, i.e. the last dates (due dates) of filing such returns are also the due dates for payment of tax in respect of persons required to file such returns.

However, due dates for payment of tax in respect of the persons required to file quarterly GSTR-3B under QRMP Scheme for 1st two months of the quarter is delinked. Every registered person under QRMP scheme shall pay the tax due for each of the first 2 months of the quarter, by depositing the said amount in, by the 25th day of the month succeeding such month.

Similarly, in case of registered persons paying tax under composition scheme, the due date for payment of tax and filing of GSTR-4 is delinked. While GSTR-4 for a financial year is required to be filed by 30th April of the following year, tax for a quarter is to be paid by 18th of the month succeeding such quarter.

Further, NRTPs or casual taxable persons are required to make advance deposit of an amount equivalent to their estimated tax liability for the period for which registration is sought or extension of registration is sought in terms of section 27(2).

Every registered person required to furnish return¹⁶ shall, discharge their liability towards tax, interest, penalty, fees or any other amount payable under GST law by debiting the electronic cash ledger or electronic credit ledger and include the details in the return.

¹⁶ subject to the provisions of section 49

Monthly payment of tax under QRMP Scheme

The registered person under the QRMP Scheme would be required to pay the **tax due in 1st month or 2nd month or both** the months of the quarter by depositing the tax due¹⁷. The payment is to be made **by 25th day of the month succeeding such month**.

Monthly payment of tax

However, the Commissioner may, on the recommendations of the Council, by notification, extend the due date for depositing the said amount i, for specified class of taxable persons. Further, any extension of time limit notified by the Commissioner of State tax/UT shall be deemed to be notified by the Commissioner:

While making a deposit of tax, such a registered person may –

- (a) for the 1st month of the quarter, take into account the balance in the electronic cash ledger.
- (b) for the 2nd month of the quarter, take into account the balance in the electronic cash ledger excluding the tax due for the 1st month.

At the time of filing the return for the said quarter in Form GSTR-3B, the amount deposited by the registered person in the first 2 months of the quarter shall be debited. This amount is debited solely for the purposes of offsetting the liability furnished in that quarter's Form GSTR-3B. However, any amount left after filing of that quarter's Form GSTR-3B may either be claimed as refund or may be used for any other purpose in subsequent quarters.

While generating the challan, taxpayers should select **"Monthly payment for quarterly taxpayer"** as reason for generating the challan. The said person can use any of the following two options provided below for monthly payment of tax during the first 2 months –

¹⁷ under first proviso to sub-section (7) of section 39

(a) **Fixed sum method:** If a taxpayer chooses this option, a facility is available on the GST portal for generating an auto-generated/pre-filled challan in Form GST PMT-06. The challan amount is calculated by the system which cannot be edited. The amount is equal to:

- (i) **35% of the tax paid in cash** in the return for the preceding quarter where the return was **furnished quarterly**; or
- (ii) **tax liability paid in cash in the return** for the last month of the immediately preceding **quarter where the return was furnished monthly**.

For easy understanding, the same is explained by way of examples given below:

- (i) **In case the last return filed was on quarterly basis for quarter ending March:**

Tax paid in cash in quarter (January - March)		Tax required to be paid in each of the months – April and May	
CGST	100	CGST	35
SGST	100	SGST	35
IGST	500	IGST	175
Cess	50	Cess	17.5

- (ii) **In case the last return filed was monthly for tax period March:**

Tax paid in cash in March		Tax required to be paid in each of the months – April and May	
CGST	50	CGST	50

SGST	50	SGST	50
IGST	80	IGST	80
Cess	-	Cess	-

However, no such amount may be required to be deposited -

- (a) **for the 1st month of the quarter**, where the balance in the electronic cash ledger/electronic credit ledger is adequate for the tax liability for the said month or where there is nil tax liability;
- (b) **for the 2nd month of the quarter**, where the balance in the electronic cash ledger/electronic credit ledger is adequate for the cumulative tax liability for the 1st and the 2nd month of the quarter or where there is nil tax liability

Monthly tax payment through this method would not be available to those registered persons who have not furnished the return for a complete tax period preceding such month.

A **complete tax period** means a tax period in which the person is registered from the first day of the tax period till the last day of the tax period.

- (b) **Self-Assessment Method:** The said persons, in any case, can pay the tax due by considering the tax liability on inward and outward supplies and the ITC available, in Form GST PMT-06. In order to facilitate ascertainment of the ITC available for the month, an auto-drafted input tax credit statement has been made available in Form GSTR-2B, for every month.

The registered person under QRMP is free to avail either of the two tax payment methods above in any of the two months of the quarter.

As already discussed earlier, at the time of filing the return for a quarter in Form GSTR-3B, the amount deposited by the registered person in the first 2 months of the quarter shall be debited. Further, any amount left after filing of that quarter's Form GSTR-3B may either be claimed as refund or may be used for any other purpose in subsequent quarters.

However, such refund claim shall be permitted only after the return in Form GSTR-3B for the said quarter has been furnished. Further, this deposit cannot be used by the taxpayer for any other purpose till the filing of return for the quarter.

Applicability of interest

A. For registered person making payment of tax by opting Fixed Sum Method

No interest would be payable in case the tax due is paid in the first 2 months of the quarter by way of depositing auto-calculated fixed sum amount (as discussed above) by the due date.

In other words, if while furnishing return in Form GSTR-3B, it is found that in any or both of the first 2 months of the quarter, the tax liability net of available credit on the supplies made /received was higher than the amount paid in challan, then, no interest would be charged provided they deposit system calculated amount for each of the first 2 months and discharge their entire liability for the quarter in Form GSTR-3B of the quarter by the due date.

In case such payment of tax by depositing the system calculated amount in Form GST PMT-06 is not done by due date, interest would be payable at the applicable rate, from the due date of furnishing Form GST PMT-06 till the date of making such payment.

Further, in case Form GSTR-3B for the quarter is furnished beyond the due date, interest would be payable as per the provisions of section 50 for the tax liability net of ITC.

(10) A registered person, who has opted for the QRMP Scheme, had paid a total amount of ₹ 100/- in cash as tax liability in the previous quarter of October to December.

He opts to pay tax under fixed sum method. He therefore pays ₹ 35/- each on 25th February and 25th March for discharging tax liability for the first 2 months of quarter viz. January and February.

In his return for the quarter, it is found that liability, based on the outward and inward supplies, for January was ₹ 40/- and for February it was ₹ 42/-. However, no interest would be payable for the lesser

amount of tax (i.e. ₹ 5 and ₹ 7 respectively) discharged in these 2 months provided that he discharges his entire liability for the quarter in the Form GSTR-3B of the quarter by the due date.

(11) A registered person, who has opted for the QRMP Scheme, had paid a total amount of ₹ 100/- in cash as tax liability in the previous quarter of October to December.

He opts to pay tax under fixed sum method. He therefore pays ₹ 35/- each on 25th February and 25th March for discharging tax liability for the first 2 months of quarter viz. January and February.

In his return for the quarter, it is found that total liability for the quarter net of available credit was ₹ 125, but he files the return on 30th April. Interest would be payable at applicable rate on ₹ 55 [₹ 125 – ₹ 70 (deposit made in cash ledger in first and second month)] for the period between due date of quarterly GSTR 3B and 30th April.

B. For registered person making payment of tax by opting Self-assessment method

Interest amount would be payable as per the provision of section 50 for tax or any part thereof (net of ITC) which remains unpaid / paid beyond the due date for the first 2 months of the quarter.

Interest payable, if any, shall be paid through Form GSTR-3B.

Note: It is clarified that no late fee is applicable for delay in payment of tax in first 2 months of the quarter.

7. OTHER RETURNS/ STATEMENTS

(i) First return [Section 40]

When a person becomes liable to registration after his turnover crosses the threshold limit, he may apply for registration within 30 days of so becoming liable. Thus, there might be a time lag between a person becoming liable to registration and grant of registration certificate.

During the intervening period, such person might have made the outward

supplies, i.e. after becoming liable to registration but before grant of the certificate of registration.

Now, in order to enable such registered person to declare the taxable supplies made by him for the period between the date on which he became liable to registration till the date on which registration has been granted so that ITC can be availed by the recipient on such supplies, firstly, the registered person may issue revised tax invoices against the invoices already issued during said period within 1 month from the date of issuance of certificate of registration [Section 31(3)(a) read with rule 53– *Discussed in detail in Chapter-10: Tax Invoice, Credit and Debit Notes*]. Further, section 40 provides that registered person shall declare his outward supplies made during said period in the first return furnished by him after grant of registration. The format for this return is the same as that for regular return.

The details of TCS furnished by the ECO in GSTR-8 shall be made available electronically to each of the suppliers who supplied goods and/or services through ECO on the common portal after filing of GSTR-8. The supplier can take this amount reflected in GSTR-8 as credit in his electronic cash ledger after validation and use the same for payment of tax or any other liability.

(d) Rectification of errors/omissions in GSTR-8

If after submission of GSTR-8, the ECO discovers any discrepancy therein on his own - not being the result of any scrutiny, audit, inspection or enforcement proceedings - he should rectify such discrepancy in GSTR-8 to be filed for the month during which such discrepancy is noticed, subject to payment of interest under section 50.

The rectification is not allowed after **30th November** following the end of the financial year or the actual date of filing of the relevant annual statement [GSTR-9B], whichever is earlier.

(ii) Late fees for delay in filing return [Section 47]

Late fee is applicable for delay in furnishing of return / details of outward supply as per the provision of section 47.

It may be noted that the late fee payable by a registered person for delayed filing of a return and/or annual return under section 47 is with reference to only the CGST Act. An equal amount of late fee is payable by such person under the respective SGST/UTGST Act as well. Hence, the late fee amount mentioned herein pertains to both CGST as well as SGST/UTGST.

ANSWERS

1. A registered taxpayer is required to furnish a return u/s 39 for every month (every quarter in case of quarterly filers) even if no supplies have been effected during such period. In other words, filing of Nil GSTR-3B is also mandatory.

Therefore, being a monthly filer, Mr. X is required to file GSTR-3B even if he did not make any taxable supply during the month of July.

2. In GST since the returns are built from details of individual transactions, there is no requirement for having a revised return. Any need to revise a return may arise due to the need to change a set of invoices or debit/ credit notes. Instead of revising the return already submitted, the system allows amendment in the details of those individual details of those transactions (invoices or debit/credit notes) that are required to be amended. They can be amended in any of the future GSTR- 1 in the tables specifically provided for the purposes of amending previously declared details.

As per section 39(9), omission or incorrect particulars discovered in the returns filed u/s 39 can be rectified in the return to be filed for the month during which such omission or incorrect particulars are noticed. Any tax payable as a result of such error or omission will be required to be paid along with interest. The rectification of errors/omissions is carried out by entering appropriate particulars in "Amendment Tables" contained in GSTR-1. However, no such rectification of any omission or incorrect particulars is allowed after the due date for furnishing of return for the month of September or second quarter (in case of quarterly filers) following the end of the financial year to which such details pertain, or the actual date of furnishing of relevant annual return, whichever is earlier.

3. The statement is partially valid.

A taxpayer cannot file Form GSTR-1 before the end of the current tax period. However, following are the exceptions to this rule:

- a. Casual taxpayers, after the closure of their business
- b. Cancellation of GSTIN of a normal taxpayer.

A taxpayer who has applied for cancellation of registration will be allowed to file Form GSTR-1 after confirming receipt of the application.

- 4.** No, Mr. Kohli is not correct. GSTR-1 needs to be filed even if there is no business activity in the tax period. Therefore, in the given case, even though Mr. Kohli was out of India and thus, could not do any business transaction during the month of February, he is still required to file GSTR-1 for that month.
- 5.** Where a taxpayer opts to withdraw from the composition scheme, he has to file GSTR-4 for the period for which he has paid tax under the composition scheme. Such return is required to be furnished till 30th day of April following the end of the financial year during which such withdrawal falls. Therefore, in the given case, Mr. Kalpesh is liable to file GSTR-4 for the said F.Y. during which he opted out of composition scheme by 30th April of next F.Y.
- 6.** As per section 39(10), a registered person is not allowed to furnish a return for a tax period if the return for any of the previous tax periods has not been furnished by him.

Therefore, in the given case, Mrs. Zarina cannot file GSTR-3B for July if she has not filed GSTR-3B for the preceding month, i.e., June.

- 7.** Details of outward supplies which can be furnished using IFF are as follows:
- (a) invoice wise details of inter-State and intra-State supplies made to the registered persons;
 - (b) debit and credit notes, if any, issued during the month for such invoices issued previously.
- 8.** The understanding of A is not correct.

A chartered accountant can become a GST practitioner (GSTP). However, holding a certificate of practice as a chartered accountant and having GST registration does not imply that such chartered accountant is a GST practitioner as well. For becoming a GSTP, even a chartered accountant in practice has to follow the enrolment process of GSTP as provided under the GST law and only upon approval of such enrolment can a chartered accountant represent himself as a GSTP.

- 9.** No, the process followed by Quicktax is not correct.

The registered persons supplying goods or services to B2B customers are required to upload the invoice wise details of supplies made during the tax period. However, there is no requirement to upload the scanned copies of the invoices issued to the customers on the GST portal at the time of filing returns. Only information required as per the format of GST returns is to be captured in the return filing utility and the same is to be uploaded on the GST portal and not the scanned copies of the actual invoices.

- 10.** No, the stand taken by Tax Consultant of X Ltd. is not correct.

Annual return is required to be filed by every registered person paying tax as a normal taxpayer. Final return is filed by the registered persons who have applied for cancellation of registration within three months of the date of cancellation or the date of cancellation order.

In the given case, X Ltd., a registered person, is winding up its business and has thus, applied for cancellation of registration. Therefore, it is required to file both annual return and final return.
